MEMO TO: Clients and Friends
FROM: The Center on Philanthropy at Indiana University – continuing in the tradition of Arthur C. Frantzreb
SUBJECT: 416 gifts in the second quarter of 2009

MILLION DOLLAR AND UP DONORS/INVESTORS April 1, 2009 – June 30, 2009 Second quarter, 2009

The following is a list of 416 gifts in the second quarter of 2009. All were announced in various newspapers, press releases, or other publications. None are verbal reports. A tabulation of this type was estimated by the late Arthur C. Frantzreb, founder of the Million Dollar List, to be one-fourth to one-half of those gifts actually consummated during the quarter because gifts to health care, religious organizations, cultural institutions, social service agencies, and other organizations are not reported in a systematic way.

In the tables below, gifts contributed through personal or family foundations are considered foundation gifts/grants, not individual gifts. Foundation and corporate gifts are reported in a separate table and in the Total Gifts and Grants table. More information about these gifts, and about the Center on Philanthropy at Indiana University, can be found at <http://www.philanthropy.iupui.edu>.
