ANNOUNCED GIFTS AND GRANTS OVER \$50,000,000
Cumulative List as of September 30, 2009

By Year of Gift

The following list of donor-investors of \$50,000,000 and over are those seen announced in diverse media since the early 1960's. The list, by relying on published sources, is incomplete. Notice of additional gifts of \$50,000,000 and over that should be included on this list may be sent to the Center on Philanthropy at Indiana University (coprsrch@iupui.edu). Listed gifts do not represent the donor's total commitments to recipients or other obligations. Each listing was reported in public sources as one gift. Split gifts (gifts with multiple recipients) are listed together and totaled if the sum is greater than \$50,000,000.

Note: The gifts listed do not represent the donor's total commitments to recipients or other obligations. Each listing was reported in public sources as one gift. No adjustment is made for gifts that changed in value after being announced in the media.
